→ Automatic self-cleaning pre-filter

KINETICO PREFILTER KF-B 1 1/2"

(Ref.723721)

DESCRIPTION

Kinetico filters protect the entire installation from suspended particles, sand and impurities carried by the water, thus also preventing corrosion problems caused by particle deposition.

Automatic self-cleaning pre-filter with stainless steel mesh and silver bath, in accordance with the CTE (technical building code).

Washable without disassembling the cartridge.

High quality brass head with rotating flange and 40µm mesh.

Built-in automatic programmable timed cleaning system.
